Finish: Carving

The background is a monochromatic, textured surface resembling aged paper or parchment. It features a complex, irregular crackle pattern with numerous fine, light-colored fissures and larger, more pronounced veins that create a marbled or marbled effect. The overall tone is a muted, earthy grey or taupe. Centered on this textured background is the text "Thank You" in a classic, elegant cursive script. The letters are dark and have a slight shadow, making them stand out against the busy, organic pattern of the paper.

Thank You
